Scenario:

Person just moved into a new city and wants to get involved in the community but does not know how to start.

3 tasks

- Being able to contact the charity
- Finding a charity near them
- Successfully donating to the charity of their choosing

Notes:

What changes you should make to your application (min 3 things)

- The tabs are a little weird looking at the top. Try putting it to the side.
- Make it easier to show what kind of payment methods are accepted
- Is there a way to learn about volunteer opportunities?

What you need to keep the same for your application (min 3 things)

- Loved how you can quickly learn about the charities
- Like how we thanked them for donating
- Liked getting featured news and featured charities
- The search is a great way charities if you don't know where to start
